Financial Narrative For the Month Ending November 30, 2024

Prepared by: Finance Department

General Fund

- Revenues
 - Taxes are \$4,736,000 more than last year.
 - Current Years' Tax is \$4,022,150 more than this time last year, a 14.3% increase.
 - Prior Years' Tax is \$195,750 more than last year. This includes 2023 TAD receipts sent to the City of Rome in error because of a coding error in the Tax Commissioner's software that is now corrected.
 - Intangible Taxes increased 4.8% since last year. This indicates that the dollar amount of loans acquired increased compared to last year. Not all loans are subject to Intangible Tax. Government loans, loans obtained through a credit union or loans with a life of less than 3 years are not subject to Intangible Tax. Refinancing loans also impacts this.
 - The Real Estate Transfer Tax has decreased from last year by 5.3% or \$8,950. This indicates a slowing housing market possibly due to higher interest rates.
 - Penalties & Interest revenue is \$164,600 more than 2023. Penalties of 5% are assessed after 120 days with an additional 5% assessed after each successive 120 days to a maximum of 20% of the principal amount due. This is an indicator of a slowing economy resulting in late payments.
 - There is an increase in Sales Tax collections from 2023 of \$292,350 or 2.8%.
 - With the renegotiation of LOST in 2022, the County now receives 53% of distributions rather than 56.5%. Had our percentage remained the same, we would have collected an additional \$699,460.
 - Motor Vehicle Taxes are \$2,350 more than 2023, which is a 0.9% increase.
 This is the ad valorem tax paid on older vehicles still on the digest. When
 older cars are sold, the buyer can choose to continue to pay ad valorem
 taxes rather than the TAVT.
 - Motor Vehicle TAVT is \$93,250 more than last year, a 2.7% increase. New models are usually released in the fall so dealers are wanting to get rid of their inventory. Sales typically increase this time of year.
 - Cable TV Easements are down 6.7% from 2023. One possible explanation is that more and more people are cancelling their cable services and are opting for internet streaming. Comcast is down 6% and Direct TV is down 15.5%.
 - Licenses & Permits is \$1,150 less than last year.
 - Licenses & Permits-Banks is \$25,400 lower than this same time last year. This is a business license tax due March 1, 2024. Greater Community Bank was bought out and is now a credit union which excludes them from payment of this type of license.

General Fund (cont'd)

- Revenues (cont'd)
 - In September, we began collecting fees for coin operated machines (COAM). We have collected \$21,500 this year. This will make up some of the funds lost on Greater Community Bank.
 - Intergovernmental Revenue is \$406,600 more than last year.
 - State-Offender Rehab revenue is \$209,050 higher than 2023. The average number of inmates has increased 2.1%. The subsidy went from \$22 per inmate to \$24 per inmate beginning with the May 2024 receipt.
 - COPS program is \$239,950 higher than 2023. In 2023, the second quarter was short billed by \$25,470 due to a mathematical error. Also, in 2023 the third quarter was not billed that totaled \$89,600. This was billed to Floyd County Board of Education in October 2024.
 - Charges for Services is \$431,900 more than 2023.
 - Sheriff Fees & Services is \$3,850 more than 2023.
 - Sheriff Boarding Inmates is \$325,700 more than 2023.
 - Chattooga County Boarding Inmate revenue is up \$253,000 from 2023. This is due to a reporting change in 2024 because of the timing of payments.
 - Funds received from the Social Security Administration have increased 62.3% compared to 2023, an increase of \$15,400.
 - Revenue from US Marshals is down 30.2% from 2023. July 2023 was
 the first payment received from US Marshals in 2023, and no
 payments have been received since April 2024. When Federal court
 cases are held in Atlanta rather than Rome, inmates are being held
 at facilities more closely located to Atlanta.
 - In November of last year, we began housing inmates for Haralson County. In 2024, we have collected \$12,950.
 - Payments from ICE have increased by 19.2% compared to November 2023, but only \$800.
 - Inmate Contracts in total have increased \$99,300.

 - The average monthly amount collected in 2023 was \$14,750 and in 2024 was \$15,300.
 - Tax Collection Commissions have climbed \$100,950 or 8.6%.
 - For motor vehicles, a TAVT administrative fee is received rather than a commission. Commissions are received on other taxes collected by the Tax Commissioner. These commissions have increased 8.2% from 2023. Commissions are also received from the Clerk of Superior Court. These commissions have increased 3.8% from 2023.

General Fund (cont'd)

- Revenues (cont'd)
 - Charges for Services (cont'd)
 - Clerk of Court Charges for Services decreased by \$45,150 when compared to 2023. This is an 8.9% decrease.
 - Recording Fees have decreased 8.8% since 2023, a \$29,550 decrease. This is revenue from recording deeds and liens.
 - Advance Deposits are up \$2,950 from last year. Advance deposits are the County's portion of the filing fee for a new case.
 - Other Fees have decreased \$2,100 from 2023. Examples of this revenue include UCC filings and bond forfeitures. The portion relating to bond forfeitures has decreased \$950.
 - All other charges decreased a total of \$16,450 compared to 2023. The largest variance is in revenue for copies. A large payment was received in 2023 from Tyler Tech for copies from 2021 to 2023. In 2024, they began making quarterly payments.
 - Probate Court Charges for Services decreased \$12,450 from 2023, falling 9.7%.
 - Estate revenues decreased 11.6% or \$11,950. This revenue is derived from the number of wills probated. The fee schedule is not dependent on the size of the estate, but different petitions do have different fees. For example, guardianships have a fee of \$450 as opposed to other petitions that are around \$180. Even though the number of filings increased 3%, the amount paid decreased 6.9%.
 - Miscellaneous revenues have dropped 1.6%, or \$300, compared to 2023. Miscellaneous revenue is made up of firearm permits. The state passed legislation on March 13, 2022, that rescinded the need for a concealed weapon carry permit. Probate officials report that some people are still getting them to cross state lines and to speed up the process when purchasing a firearm.
 - Magistrate Court Fees have decreased \$3,750 or 4.4% from 2023.
 - There has been a decrease of 2.4% in the total number of cases since last year.
